BANQUISE EDEN

NEW SINGLE - OUT OCTOBER 7, 2026

*Bury me in your sadness
Carry me in your madness
I don't need any secrets 'cause
You see right through my blindness*

*Bury me in your sadness
Carry me in your madness
I don't need any secrets 'cause*

'Cause all I see is you
And I don't wanna wake up
All I see is you
And I don't wanna wake up

This is a curse
But I would dive back in anyway
This is a curse
And it's swallowing me

When I came to meet the Devil
And I sold my soul for two
I could never, ever have known
That it would belong to you

*Bury me in your sadness
Carry me in your madness
I don't need any secrets 'cause
I see right through your kindness*

Even Eden wasn't this hard
You're the snake and I'm your bite
Yeah it hurts, so tell me why

All I see is you
And I don't wanna wake up
All I see is you
And I don't wanna wake up

This is a curse
But I would dive back in anyway
This is a curse
And it's swallowing me

When I came to meet the Devil
And I sold my soul for two
I could never, ever have known
That it would belong to you

Bury me in your sadness

A zombie's heart stuck in a vicious cycle
But your face keeps fading more and more
Trying to reach the shore on a raft of stone

But all I see is you
And I don't wanna wake up
All I see is you
And I don't wanna wake up

When I came to meet the Devil
And I sold my soul for two
I could never, ever have known
That it would belong to you

*Bury me in your sadness
Carry me in your madness
I don't need any secrets 'cause*
